### **REASONS FOR ALLOWANCE**

1. The following is an examiner's statement of reasons for allowance: the prior art does not teach or fairly suggest a method and device for controlling a headlight for a vehicle having a headlight lamp having high, middle and low angle headlight filaments, comprising, in combination with remaining features of the claims, a controller for determining a lighting step of the headlight in accordance with a vehicle speed, opponent vehicle headlight luminous intensity signal and vehicle surrounding luminous intensity signal from the vehicle speed sensor, the opponent vehicle headlight luminous intensity sensor and the vehicle surrounding luminous intensity sensor and controlling an operation that a corresponding filament among the high, middle and low angle headlight filaments is turned on based on the determined lighting step; and a headlight relay unit for supplying a power to a corresponding selected filament based on the determined lighting step among the filaments in accordance with a control of the controller.

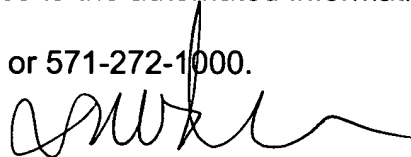

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
